MEMORANDUM FOR COMMANDER, Great Lakes and Ohio River Division

SUBJECT: Implementation Guidance for Section 520 of the Water Resources Development Act of 2000 (WRDA 2000) – Koontz Lake, Indiana

1. Section 520 of WRDA 2000 states that the Secretary of the Army shall credit toward the non-Federal share of the cost of the Koontz Lake, Indiana, project carried out under Section 206 of the Water Resources Development Act of 1996 (P. L. 104-303), work performed by the non-Federal interest before the date of execution of the Project Cooperation Agreement (PCA) if the Secretary determines that the work is integral to the Koontz Lake project. A copy of section 520 is enclosed for your information.
2. A supplement to the decision document supporting the Project Cooperation Agreement (PCA) for this project should be prepared in the form of a section titled Crediting Documentation to allow HQUSACE to transmit it to the ASA (CW) for approval. This section must include an assessment of the costs of the work claimed by the non-Federal sponsor for the work performed prior to the date of execution of the PCA. The crediting documentation section of the decision document must include the necessary information to determine whether the work performed by the non-Federal sponsor is integral to the Koontz Lake project to determine which are creditable costs. Upon approval of this document the PCA should be prepared and forwarded for HQUSACE and ASA (CW) approval.
3. The credit for prior work may start to be afforded during the first year after the PCA is executed or after an audit of all the costs, whichever comes later. Credit will be based on reasonableness, allocability and allowability of costs. The total amount of credit shall not exceed the non-Federal share. Reimbursement is not authorized.
